“See to Succeed” vision program along with CFISD Health Services Department, provides vision exams to students who did not pass the vision screening conducted at school earlier this year. Students identified will be transported to and from the Berry Center during the school day, accompanied by district clinic assistants. These students will be provided a complete eye exam and glasses at no cost. For questions or information, contact our school nurse, Ms. Stephens at 713-460-6141.

Bane Parents – we need you!

Will you consider giving just a little bit of your time to Bane?

Attend one of our volunteer meetings, held every Wednesday morning at 9:00 a.m. in the cafeteria. You’ll meet great parents and staff who are ready to have your lend a hand with small projects. Bane Dads, please consider becoming one of our W.A.T.C.H. DOGS – a group of great Bane Dads who volunteer their time with students. We have something for everyone! Call the school office for more information at 713-460-6140 or attend one of our meetings. We look forward to seeing you!

HEALTH & SCIENCE NIGHT FOR ALL!

Plan to join us on **Tuesday, January 31 from 6:00-7:00 p.m.**

We will also have health vendors set up to provide information on their services.

Don’t miss this important and informative evening at Bane!

Student Attendance:

One area we struggle with at our school is student attendance and we need your help. Your child needs to come to school every day unless they are sick! Our teachers provide valuable instruction every day for your child and missing school means missing this outstanding first instruction!

Another area that affects your child's performance is coming to school late or leaving early. Any time your child is not in the classroom affects your child's academic progress.

Please make sure your child is at school, on time, every day and not leaving early. We are dedicated to your child's success but we need every child here every day.

We offer rewards and recognition throughout the year for students with superb attendance and we would like to be able to recognize more students!
